A man and a woman are working together in a modern office. The man, wearing a light blue button-down shirt, is leaning over a desk, pointing at a laptop screen. The woman, wearing a white blouse, is sitting at the desk, looking at the screen. The background shows a well-lit office with plants, shelves, and a glass partition. A large blue diagonal graphic is overlaid on the left side of the image.

# SOURCE PRODUCTS ACROSS ASIA

Our team works in alignment with your requirement, helps you find or develop the product you are looking for. We help create drawing and prototype for your products. Once approved we finalise your supplier and terms and conditions on your behalf. We also intervene into the manufacturing process to ensure the production quality and timelines are achieved. After final inspection (by our team and/or your team or third party) we deliver your shipment. What more? We also provide end to end logistics solution from manufacturer to your warehouse.

Finding the right supplier is a critical business problems that all of us face. Getting right price with right supplier whom you can trust is where we our expertise come into play. With network across Asia and a supplier base of over 1000 manufacturers in India, Thailand & China, We deliver promises.
